

PVC FABRICATION • PVC CUSTOMISED PRODUCTS

Since 1982, we specialise in **PVC FABRICATION & CUSTOMISED FITTINGS** to create customised products that are not in the standard fittings range. Our team is confident in turning your specifications and drawings into ready-to-install products.

Our range of PVC customized products :

- Bell Mouth Socket
- Caps & Plugs
- Dome Gratings
- Elbow, Tee, Socket Fittings
- Long Radius Bends
- Mandrels
- Puddle Flange Pipes
- Tanks
- Welding Service
- ..and more!

Photos of some of our completed works for below project types:

- LTA Projects
